From the Collections of the ALBERTINA Museum

13 December 2019 – 6 September 2020

Warhol bis Richter presents artworks created from the second half of the 20th century to the present. Around 80 works by artists including Anselm Kiefer, Gerhard Richter, Gottfried Helnwein, Andy Warhol, Alex Katz, and Maria Lassnig represent the broad diversity of post-1945 artistic stances.

Key works illustrate international trends running from hyperrealism to abstraction and from color-aesthetic to political themes, thereby exemplifying the multifaceted artistic output of the past several decades.
